

# Series 45

## 32 & 38mm Sidewinder System

### Kit Comprises

Sidewinder with 40mm brackets  
in your choice of White Black or Beige

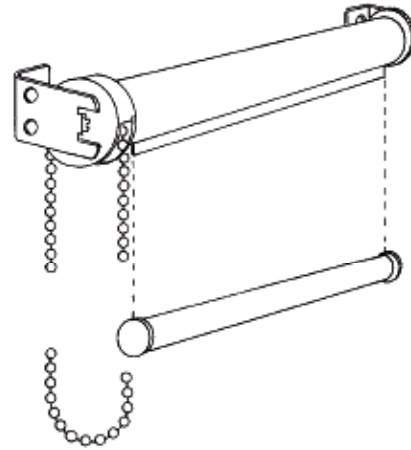

Ball chain in White; also available in  
Nickle Plate or Stainless Steel at an  
extra charge

Keyway Tube

Keyway Spline

Aluminium bottom bar with end caps  
in choice of White, Black, Silver, Grey  
and Stone Beige

**NOTE: FABRIC IS NOT INCLUDED IN THIS KIT**

### Measurements

The measurement that we require is the **Overall Length** - the tube length will be 27mm less than the overall length. The suggested cloth width is 5 - 10mm less than the tube length.
